THE CHICAGO ARCHITECTURE CENTER

Conveniently located right above the river cruise dock, the Chicago Architecture Center (CAC) boasts two floors of fascinating exhibits.

This acclaimed attraction features supersized models of famous skyscrapers from around the world, a scale city model with more than 4,200 miniature buildings, and a gift shop for design lovers.

Rotating exhibitions examine architecture innovations and pressing design issues in our cities.

WHERE THE STORIES OF THE CITY BEGIN

For more than 25 years, the Chicago Architecture Center River Cruise aboard Chicago's First Lady has made millions of lasting memories for visitors and locals.

The docents who lead this award-winning, 90-minute tour undergo rigorous training to expand and share their knowledge of Chicago architecture.

CAC docents are an important reason why the CAC River Cruise is endorsed by the city's leading architects.
